## Industry Executive and Former Astronaut to Address EUFMC

Shane Kimbrough, vice president of strategic operations at Quanta Services and a former NASA astronaut, will serve as the dinner speaker during the 2024 [EUFMC](#). Kimbrough's presentation will be sponsored by EUFMC Leadership Sponsor International.

Kimbrough will bring a unique perspective to EUFMC in a presentation on several topics that reflect his role at Quanta Services and his U.S. Army and NASA experience. Included are how to lead, invest in and empower people to achieve positive results, ways to build a highly functional organizational culture, the importance of training and education, and the need for every person in an organization to ensure that everyone goes home safely.

At Quanta Services, Kimbrough is currently leading several corporate initiatives, including the Quanta Elite Foreman and CEO Innovation Awards programs. He is also heading up efforts to recruit veterans and integrate robotic technology into operations.

A graduate of the United States Military Academy in West Point, New York, Kimbrough attended the U.S. Army Aviation School, served in Operation Desert Storm, and commanded an Apache helicopter company. Selected by NASA in 2004, he has made two spaceflights to the International Space Station (ISS) and served as commander of the NASA/SpaceX Crew-2 Dragon spacecraft. He is the fourth person to fly on three different spacecraft and is fifth on the list for total time in space for all U.S. astronauts.

The 2024 EUFMC educational program on [Driving Safety, Sustainability & Technical Expertise](#) will feature presentations by fleet executives, manufacturers, and industry experts. On the EUFMC General Session Agenda (subject to change) are the following topics:

- Keynote Address: Mathias Carlbaum, President and Chief Executive Officer of Navistar, Inc.
- Safety and Leadership
- Regulatory Updates
- Fleet EV Charging
- 2027 Diesel Engine Mandates

- AI Opportunities in Fleet
- Technician Recruiting and Retention
- EV Maintenance Cost and Acceptance
- Mutual Assistance Planning for Fleet Managers
- Fleet Culture
- Roundtables -- An EUFMC signature event where fleet representatives and suppliers discuss mutual challenges and find solutions.

EUFMC will also feature a Drive-Through utility equipment demonstration and an equipment show that is the site of more than 60 displays, the second annual Women in Utility Fleet gathering and [Special Activities](#), including tours, golf outings, events for spouses, and more.
