EUFMC Exhibits Move to a New Show Site for 2024

The [EUFMC](#) equipment show will be moving this year to a new site across the road to the parking area immediately adjacent to the Colonial Williamsburg Visitor Center. The show will feature the same number of exhibits hosted by [Manufacturers and Suppliers](#) of vehicles, equipment, products, and services for utility fleet operations.

The Drive-Through utility equipment demonstration will also move to the parking lot across the street from its previous location. Lunch will continue to be held at the Woodlands Conference Center.

The move was necessitated by a construction project that is part of a redevelopment plan for the site being carried out by the Historic Triangle Recreational Facilities Authority. Due to the change in location, no individual parking will be available at either the Drive-Through or Equipment Show sites.

EUFMC continues to attract a growing number of fleet representatives, who are registering for the conference at a record setting rate. Highlights of the industry's premier conference will include:

- [Driving Safety, Sustainability & Technical Expertise](#), the EUFMC educational program with presentations by fleet executives, manufacturers, and industry experts.
- Roundtables -- An EUFMC signature event where fleet representatives and suppliers discuss mutual challenges and find solutions.
- The second annual Women in Utility Fleet gathering.
- [Special Activities](#), including tours, golf outings, events for spouses, and more.

Connect today with [EUFMC on LinkedIn](#) to stay up to date on conference news.

SAVE THE DATE: EUFMC will be held June 2 - June 5, 2024, at the Williamsburg Lodge and Conference Center in Williamsburg, Virginia.
